Requirements for the Declaration to Livestock Transporters

Obligation on person who moves NAIT animals

It is an offence to move a NAIT animal from a NAIT location or other location unless the animal is fitted with the prescribed NAIT device.

However, a transport operator or drover is exempt from the obligation if:

(a) the PICA at the location from which the NAIT animal is moved provides the transport operator or drover with a declaration that the animal has been:

- (i) fitted with the prescribed NAIT device; and
- (ii) identified and registered with the NAIT organisation in accordance with this Act;

and

(b) the transport operator or drover carries, or has access to, the declaration at all times while moving the animal.

To assist transporters with their compliance, they may request a declaration from you.

Before completion of the declaration it is your responsibility to check your NAIT animals are tagged and registered in accordance with the Act. Any animals that are deemed unsafe to tag must be visually marked and comply with conditions of the exemption.

Regulation 18 – NAIT (Obligation and Exemptions) Regulations

NAIT animals being moved to a game estate, safari park or zoo may have their tags removed before transport if approval is given by a NAIT Authorised Person or NAIT officer pursuant to Regulation 18 and are exempt from the obligations under section 30 and 31A of the NAIT Act.
