### **Prime Lambs - 1600**

Prime lambs sold to similar if not slightly higher levels as last week.

Tops	\$174 - \$211
Good	\$150 - \$170
Mediums	\$120 - \$150
Light	\$100 - \$120

### **Prime Ewes - 1800**

One lonesome wether cracked the \$300 mark and sold for \$305. Other heavy ewes made from \$240 to \$260 per head. Some very light ewes managed \$70 per head with most ewes selling to similar prices to last week.

Tops	\$200 - \$305
Good	\$150 - \$200
Mediums	\$120 - \$150
Light	\$70 - \$115

### **Store Lambs - 4200**

A slight easing to the store lamb market as a large yarding entered due to the dry conditions.

Tops	\$108 - \$122
Good	\$95 - \$105
Mediums	\$85 - \$95
Light	\$60 - \$80

### **Prime Cattle - 225**

Good sized yarding with the market under pressure due to killing capacity, with the flow of dairy cows coming forward and the dry conditions.

Steers	\$1.90 - \$2.30
Heifers	\$1.80 - \$2.29
Cows	\$1.17 - \$1.50
Bulls	\$2.10 - \$2.14

### **Store Cattle - 327**

A mixed yarding of mostly dairy cross was met with some buyer resistance.

The more forward conditioned stores were easier to market than the lighter end.

The calf market was tough going on the dairy cross types.

2yr Steers	\$1.90 - \$2.20
2yr Heifers	\$1.70 - \$1.85
