### **Prime Lambs - 800**

Increased interest in the Prime Lambs market today. It appears that space issues are starting to gradually improve.

Medium	\$150 - \$160
Small	\$120 - \$140

### **Prime Ewes – 650**

Another tough day at Coalgate in the Mutton department. The max price of \$131 was achieved by a very tidy pen of Corriedales from North Canterbury.

### **Store Lambs - 250**

Very few Store Lambs entered today. The Store yarding mainly consisted of Hoggets with Lambs at foot, of varying quality. A tidy line of Ewes with Lambs at foot made \$110 all counted.
