Prime Lambs

A medium sized yarding of Prime Lambs saw the market ease by \$2 - \$3 in line with a slight deduction in export schedules. The biggest fall was at the lighter end.

Large	\$165 - \$180
Medium	\$150 - \$165
Small	\$105 - \$140

Prime Ewes

No very heavy Ewes yarded this week to match last week's top prices. A substantial yarding of Corriedales were met with good interest. The rest of the yarding was similar to last week.

Store Lambs

A small yarding of Store Lambs made up of mainly fine wool types. The Lambs with some frame found an easy home. Smaller framed Lambs struggled. Several lines of Ewes with Lambs at foot ranged in price from \$60 - \$86 all counted.

Prime & Store Cattle

The Annual Coalgate Beef Competition brought in some very good quality across the lines. The Competition Cattle were split across four sections, with some great Cattle showing. The market had a lift from last week, pushing up to \$3.30/kg for the Steers. This was a quality driven market - well done to all our vendors.

The Store Cattle also had a lift from last week.

Prime Steers	\$3.10 - \$3.30
Prime Heifers	\$3.04 - \$3.31
Beef x Steer	\$2.80 - \$3.17
Beef x Heifers	\$2.90 - 3.05
Store Cattle	\$660 - \$1080
