

TURN YOUR CULL COWS INTO EARLY CASH

FEATURES & BENEFITS

- HFL will advance up to \$400/animal for 180 days
- HFL will own the animal - you farm them as if they are your own, making all management decisions - in conjunction with your agent.
- At the time of sale HFL will return to you the full sale value of the animal, less the initial advance (\$400) and funding cost.
- Flexible - you retain full control of the sale process - timing and company supplied.
- No repayment until the animals are sold.
- Funding cost per head of \$0.16/day capitalised until final payment*
- Fast approvals - initiate the process through your Hazlett Agent.

*Estimated funding cost per head based on \$400 advance. Funding rates are subject to change.

Hazlett Funding Limited (HFL) is a well-established livestock funding business that specialises in funding trading / finishing stock for farmers across New Zealand.

We understand that timing is everything when it comes to your farms cashflow. We can give your cashflow a boost when you need it the most!
