

Photography Competition

Life on the Land

Your photo. Your story. Together, we tell the year.

Alongside our Kids Photo Competition, we're introducing a Hazlett Competition for all, and those who've earned their boots!

Our 2027 calendar will celebrate the heart of rural life and tell the story of our communities - the people, the places and the generations who have called this land home.

What does this look like through your lens?
Show us your best shots!

Every photo selected for our 2027 calendar will receive a \$200 Prezzy card. Multiple chances to win!

Make sure your photo is taken sideways (landscape) and is big enough - at least 2MB in size.

Email your photo (or photos) to marketing@hazlett.nz.
Entries close **Friday 4th September**.

Please include:

- Your full name
- Date and location the photo was taken (hit us with your best caption)
- Your Hazlett connection (ie. livestock client, insurance client)

Before you send in your photo, please check these rules:

- The competition is for people in New Zealand with a connection to Hazlett (ie. client, supplier, team member).
- If your photo shows people or places, please ensure you have permission to take and use the photo - from the person/s in the photo and/or the property owner.
- We'd love to keep and use your photos for things like our website, flyers, or social media. We'll try to include your name when we use your photo. If you'd rather we didn't, just let us know when you send it in.
- We'll announce the winners around mid to late October. If you're one of them, we'll get in touch to arrange your Prezzy card!
